Mykonos

?This morning, let's spare a thought for all those travellers who only have the time and money to visit just one Greek Island. Those poor unfortunate souls...

Santorini

Saddle up! We're taking to the seas again, this time in search of the island of Santorini. It's finally your turn to be the one lulling about the white-washed blue dome churches looking like a sultry summer babe. Home to the famous Oia sunset, this is the stuff dreams are made of. Ah, life.

DAY 7: Santorini

Santorini

Rise and shine, Greek Island travellers! The island of Santorini will not explore itself. Take a swim at Perissa Beach, eat the local specialty of fried tomato balls known as domatokeftedes, and roam the streets of Fira. Just remember to plan your day around the excursion to the iconic sunset of Oia - this is not an optional you're going to want to miss.

Santorini

?The beautiful thing about having two full days on the one island is you have time to both relax and explore. Whatever you didn't do yesterday is still up for grabs today. If you feel like you've crammed it all in already, just head to the black or red sand beaches and spend another glorious day ocean-side. Ain't life grand? Overnight: Nikos Hotel

DAY 8: Santorini to Athens

Santorini It's our last full day on trip - best hit up a big city we know and love and cause a little harmless havoc. Goodbye Santorini you sun soaked beauty, we're off to Athens.

Athens

?On arrival in Athens, tick off any last sightseeing you missed in this time capsule of a city tonight.

Overnight: Dorian Inn

DAY 9: Athens

The moment we'd all been dreading - the goodbyes. As sad as they are, at least you have the memories. And another 300 Contiki trips to jump aboard! Make the most of your last free breakfast before you kick on to your next port of call.
